**Join us for tea and homemade cake at our
AGM 2018**

Saturday 1st December 14.00 at
Shrewsbury United Reformed Church lecture room
Identify the Shropshire Way photo competition
Free parking at the English Bridge gyratory

Shropshire Way Main Route

Thanks to hard work by our volunteers and the Shropshire Council teams the route is complete with waymarks, improved paths, stiles and gates.

Shropshire Way Guidebook

There is currently a flurry of activity to complete a few minor route changes in time for the submission of the Shropshire Way Guidebook to Cicerone Press for publication in November 2019. The author John Gillham has been busy making a video as he walks and it is hoped that you will soon be able to view this on our website.

OS mapping

The data has been submitted to Ordnance Survey and digital maps issued from January 2019 will have only Shropshire Way Main Route depicted. Paper maps will change as they are revised and reprinted after this date.

New leaflet

All 5000 of our leaflets were taken up from locations around the County so we have designed and printed a new updated leaflet with details of the route stages and a revised map.

Stage Champions

We have Champions for all Stages in the Southern section who walk their stretch and report or resolve problems. We need a coordinator and some champions for the Northern section. If you are interested contact Gill Pursey by email at g.e.pursey@gmail.com

It's all good news but there is still lots to do!

If you would like to be involved please contact Audrey Menhinick on **01743 247404**, email audreymenhinick@yahoo.co.uk or via our website
