We are now a Charity!

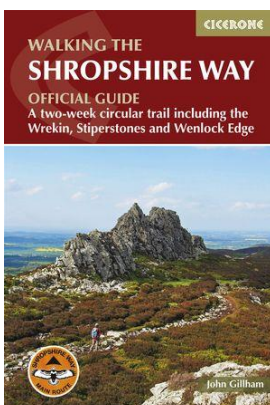

At our Special General Meeting in December, a resolution was unanimously passed for the **Shropshire Way Association** to become a charitable trust. Seven Trustees have been elected and officers re-appointed to form the Management Committee. This change will strengthen our hand with the two councils and with potential supporters and donors. The Forum will continue.

Another Shropshire Way Festival!

Following the success of last year's festival of walks, there's to be another. We shall be inviting Shropshire's walking groups to include a Shropshire Way walk in their programme during the week of **19th – 25th September**.

A Shropshire Way Sculpture

This is the striking idea for a sculpture to mark the start and end of the two loops of the Shropshire Way on the Kingsland Bridge in Shrewsbury. We have some promises of funding but we are looking for more to complete the project.

The Official Guide

This excellent Cicerone guide by John Gillham is now on sale and proving very popular. Please place your order through our website to support the ongoing maintenance of the Way or obtain a copy from a committee member for a special discount.
